### Our Services

Our principal business is to provide a full financial planning and advice service. This may include advising on and arranging transactions on behalf of clients in relation to life & pensions, investments or general insurance products. A full list of insurers and investment firms (collectively "product producers") with which we have agencies is available on request.

We typically provide financial planning services as the first step in an ongoing advisory relationship, in which we recommend products and solutions to address your financial planning needs and arrange them on your behalf. If we provide financial planning as a standalone service, whereby we provide a plan and do not work with you to implement it, then you should know that:

*Warning: The provision of this service does not require licensing, registration or authorisation by the Central Bank of Ireland, and is not covered by Central Bank rules or by a statutory compensation scheme.*

As a firm that specialises in providing financial solutions for General Practitioners (GPs), we also assist our clients who wish to buy or sell businesses. We charge a fee for our services in this regard, which is negotiated on a case-by-case basis.

### **Fair Analysis**

MGM Financial Services DAC operates on the basis that:

(a) the principal regulated activities of the firm are provided on the basis of a fair analysis of the market; and (b) you have the option to pay in full for our services by means of a fee.

MGM Financial Services DAC provides life assurance, pensions and investments services on a fair analysis basis.

The concept of fair analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically, on the subject of permanent health insurance policies it is our policy to explain to you a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious/specified illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

## Disclosure of Information

In completing a proposal for insurance, you are required to answer all questions posed by the Insurer or us honestly and with reasonable care. Specific questions will be asked.

Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to ongoing advice/assistance exceeds 10 hours.

If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made. The commission arrangements MGM Financial Services has in place with product producers we have agencies with are available on our website at: [www.mgmfs.ie](http://www.mgmfs.ie).

It is in your best interests to review regularly the products we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy so that we can ensure that you are provided with up-to-date advice and products best suited to your needs. Failure to contact us in relation to changes in your circumstances or failure to

request a review may result in you having insufficient insurance cover and/or inappropriate investments.

### **Sustainability Factors**

In accordance with the Sustainable Finance Disclosure Regulation ('SFDR'), we inform you that when providing advice on investments (including those issued by life insurance and investment firms), we do not assess, in addition to relevant financial risks, relevant sustainability risks. This means that we do not assess environmental, social or governance events and conditions that, if they occur, could have a material negative impact on the value of the investment.

We also do not currently consider the impacts of our advice that result in negative effects on sustainability factors. Currently, there are limited relevant products on the market which provide sufficient relevant information to allow us to assess sustainability risks and/or negative impacts on sustainability factors. This area is relatively new, and as the issue progresses, we will review our position.

MGM will review its approach annually.

### **Conflicts of interest**

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises, we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request.

### **Default on payments by clients**

Our firm will exercise its legal rights to receive payments due to it from clients (fees and insurance premiums) for services provided. In particular, without limitation of the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

### **Complaints**

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made in writing. We will acknowledge your complaint within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and you will receive an update in this regard at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome and will do so no later than 40 business days from the day we received the complaint. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO).

A full copy of our complaints procedure is available on our website [www.mgmfs.ie](http://www.mgmfs.ie).
